To Whom It May Concern:

Please be advised that Mr. Jeremy Baumann was under my employ for a period of two years in the physical therapy department. Mr. Baumann provided invaluable assistance to my practice, assisting in modalities of physical medicine. He displayed a tremendous aptitude for self-direction and self-motivation in all areas of patient care. Mr. Baumann was a highly conscientious, empathetic, and caring person, who worked well with both patients and other staff members. I highly recommend him for any endeavor which he may choose to pursue. His participation in any P.T. or medical school program is highly recommended, as he would be a definite asset in such fields. Please feel free to contact my office if we can be of any further assistance to you on Mr. Baumann's behalf.

Sincerely,

Michael J. Roth, M.D.
